

## How Online Training Can Impact Your Franchise System

- Enhance Efficiencies
- Meet Regulatory and/or Compliance Related Training
- Reduce Overall Training Cost
- Improve Productivity
- Increase Consistency

Tortal (a Driven Brands Company) is the leading provider of online training systems in the franchise industry. Our Instructional Designers specialize in converting classroom instructor led training to an online format as well as creating new online content. Whether it's operational, sales, seasonal, or other, let our team provide you with a comprehensive turnkey solution! If you already have an online training system, Tortal is a great source of expertise in enhancing existing systems.
